***Kenya Certificate of Secondary Education (KCSE)*** ***2016 – 2019***
*Kisii School – B +*

***Kenya Certificate of Primary Education (KCPE)*** ***2008 – 2015***
*Ekerenyo Sunshine – 391*

## Projects

### HireSphere Hiring System

View

HireSphere is a job search and application system that makes it easy for jobseekers to search for jobs and for recruiters/ companies post jobs and get talent. In the system I have developed and implemented the following features:

- Authentication system, Registration and Login with email password reset
- Email notifications
- Access control for different users
- CRUD operations to add, remove and edit different content in database tables
- Job recommendation algorithm to recommend jobs based on location
- Google Maps API

### Foodbank Hub System

Foodbank Hub system is a system that links surplus food and other aid to people in need through foodbanks from donors:

- Multi User Authentication system – 3 users.
- Access control for different users
- Reports
- Mpesa, Stripe Integration

## Experience

### KASNEB

**Nairobi, Kenya**

***ICT Intern*** **2024 - 2025**

During my internship at **KASNEB**, I provided technical support to staff and customers, ensuring smooth IT operations and resolving issues promptly. My responsibilities included:

- Delivering ICT customer support by addressing technical inquiries from staff and students.

- Diagnosing and resolving issues related to Microsoft Dynamics, ensuring seamless functionality for end-users.
- Installing and configuring operating systems (Windows, Linux) and software applications.
- Performing hardware troubleshooting and upgrades and repairs for laptops, computers, printers, and other peripherals.
- Assisting with network setup and troubleshooting to ensure reliable connectivity.
- Supporting the IT team in system updates, maintenance, and user training.
- Setting up Computing infrastructure and aiding students during Computer Based Exams.

## ICT AUTHORITY

**Nairobi, Kenya**

***Presidential Digitalent Programme - Software Dev Intern*** **2024 - 2025**

I am part of the ICT Authority's Presidential Digitalent Programme cohort IX selected under the Software Engineering and AI track. Deployed to KASNEB

## COUNTY ASSEMBLY OF NYAMIRA

**Nyamira, Kenya**

***ICT Attaché*** **2023 - 2023**

- Setting up Computers, laptops and other devices
- Hardware Troubleshooting of computers, laptops and printers
- Setting up the house in readiness for sittings by setting up screens and ensuring audio clarity
- Participated in setting up Networking infrastructure for new county assembly building.
- Collaborated with internal departments to revise the ICT strategic policy 2023 – 2025.

## Certifications

**HUAWEI HCIA DATACOM** **2025**
*Huawei Academy*

**CISCO COMPUTER HARDWARE ESSENTIALS** **2025**
*Cisco Networking academy*

**CISCO NETWORK SUPPORT AND SECURITY** **2024**
*Cisco Networking academy*

**CISCO DIGITAL AWARENESS** **2025**
*Cisco Networking academy*
